Smithton Community Consolidated School District No. 130

# a STITCH in time

STITCH stands for *Smithton Technology Integration Tips = Computer Help!* This publication is produced by the Smithton Community Consolidated School District Technology Committee. The committee welcomes contributions to facilitate a shared learning community of educators.

## Spotlighted Site

[www.mrnussbaum.com](http://www.mrnussbaum.com)

Featuring over 3,500 content pages, MrNussbaum.com is one of the most popular destinations on the internet for parents, homeschoolers, teachers, and students. MrNussbaum.com was created by Greg Nussbaum, a Virginia public school teacher with experience teaching 2nd, 3rd, 4th, 5th, and 6th grade classrooms.

## APP WATCH

Venn Diagram. Available for free on the App Store, this app allows users to create Venn diagrams that contain two or three overlapping circles. Users identify and record concepts that can be placed in one of the circles or in the overlapping areas, allowing them to organize their information logically. The finished Venn diagram can be emailed out or saved to the device's photo album.
