Eighth Grade Parents:

The counseling department at Freeburg Community High School wishes to inform the parents of current 8th graders within the district of an upcoming event for them and their children. The annual 8th grade parent night has been scheduled for Monday, February 22 at 6 PM. This meeting, which is traditionally held in person, will be held virtually this year with links being available through both Zoom and Google Meets. These links for this event will be published by the local feeder grade schools and will also come home with the current 8th grade class in a blue folder soon. In case you do not see them via either of those mediums, the login links are:

Zoom- <https://us04web.zoom.us/j/72757870134?pwd=VmNiR1A4M3NNbEc3WDJGSTJlMGJlZz09> or Google Meets - [meet.google.com/pbu-gnpx-ejk](https://meet.google.com/pbu-gnpx-ejk).

You can also call into the Google Meet link with the following number, 573-621-2528.

The event will last no longer than an hour and will share a great deal of information that will hopefully make your child's transition to high school easier. Topics to be covered are the registration process, graduation requirements, guidance course recommendations, course selection and offerings, 9th grade medical requirements, available clubs and interscholastic athletic programs while also offering the opportunity to ask questions through the chat feature. If you have any questions prior to the meeting, feel free to reach out to John Young, freshman/sophomore counselor at [young@fchs77.org](mailto:young@fchs77.org) and we are looking forward to working with the FCHS Class of 2025.

Hello Smithton Families,

It is once again time for the American Heart Association's Kids Heart Challenge! This will be our 19th year raising money for the American Heart Association. We will be participating in this event from February 8-26th. Donations for this year's event will be collected ONLINE ONLY. Directions on how to sign up and participate online are LINKED BELOW.

At this time, we will not be holding events during PE class like we have in the past. We are hoping that we can hold an event later in the school year!
