Congratulations to Will B. and Grace C. on being selected for the IPA Student Recognition Awards program! These students have been selected not only their high achievements within the classroom, but for their citizenship, kindness to others, and for being excellent role models for the students and our community. Grace & Will are in charge of putting our American flag up every day and taking it down, folding it appropriately, with respect, at the end of each day. They automatically know to come to the office to take down the flag if it begins to rain. They have done this task all year and are extremely reliable and responsible with this duty.

Smithton School District 130 is seeking a **full-time general music, band and chorus instructor** for the coming school year, 2021-2022. Smithton School consists of K-8 students with an approximate enrollment of 570 students.

The ideal candidate will possess drive and ambition to develop a strong music program which includes growing the band program and chorus, as well as developing an energetic music curriculum for students K-4. The candidate must possess strong time management skills, be well organized, and possess the ability to multi-task. Strong communication skills with the administration, staff, students and parents are essential.

Interested candidates should submit their letter of interest, resume, college transcripts, and our school application to: Vicki Norton, Principal, Smithton School, PO Box 395, Smithton, IL. 62285 Applications will be accepted until April 9, 2021.

Digital copies will also be accepted, submit to: vnorton@sccsd130.com

Attn: Incoming Kindergarten Parents!

Smithton School has 2021-2022 Kindergarten registration packets currently available in the main office.

To qualify for Kindergarten, students must turn five years of age on or before September 1, 2021.

Families may complete the packets and will be asked to return them to the school office before April 16.

All incoming Kindergarten students will be screened on Wednesday, April 28 and Thursday, April 29. Screening appointments for Wednesday, April 28 (8:30 a.m. to 2:30 p.m.) and Thursday, April 29 (8:30 a.m. to 11:30 a.m.) will be set up by the school secretaries upon receipt of the student's registration packet before April 16.

Kindergarten screening involves assessing students in the following areas: vision, hearing, speech, language skills, gross motor skills, fine motor skills, and cognitive skills.

The screening takes about 45 minutes
