Discussion Items:

1. Discussed Proposed Change order. New gas piping required. Original scope was to provide low pressure 14" wc, gas to entire system to match current conditions. Revise gas piping routing and sizing to allow for 2 psi delivery pressure from the meter to gas fired equipment. In addition, regulators are required to be added to existing and new gas piping at equipment to reduce pressure at equipment. Revision provided at request of equipment manufacturer.
2. The budget for the site grading at playground is \$38,457.40 and will come out of the contingency allowance.
3. The Contingency Allowance Log was presented by Andy Stehl which showed \$77,686 remaining contingency after Gas Meter Revisions of \$19,090.62 and site grading of playground of \$38,457.40. The original allowance was \$250,000.

Adjournment

A motion to adjourn at 5:30 p.m. was made by Mr. Lester and seconded by Mr. Trentman. All Ayes, motion passes.
